Applicants Signature **Date** **Fee**

Applicant/property owner agrees to comply with the regulations set forth in Chapter 140, Stormwater, Grading & Erosion Control. The applicant agrees to provide 24-hour advance notice to the Township before commencing with construction. You can call Michael Capaldi at (610) 265-2606 to give notice. If your permit has an impact fee, then two separate checks are required, one for Fee-in-Lieu and one for Application fee. All highlighted sections must be completed before Upper Merion Township will issue a permit.
